NO. 07-1791-RSL

STIPULATION AND [PROPOSED] ORDER TO AMEND THE STIPULATED SETTLEMENT AGREEMENT AFFIRMED BY THIS COURT ON AUGUST 1, 2008

WHEREAS, Plaintiffs filed a Complaint (Dkt. No. 1) in the above-captioned case on November 5, 2007, in the District Court for the Western District of Washington;

WHEREAS, Paragraph 5 of the Stipulated Settlement Agreement provides that:

Defendants represent that they intend to make every effort to comply with the terms of this Stipulation in good faith. If, however, through unforeseen circumstances, events should change after the Stipulation becomes effective, Defendants will notify all other parties of record as soon as reasonably possible of the change and the reason therefor. The parties agree to attempt to work reasonably toward a mutually acceptable solution. In the event a solution is reached, the parties shall jointly move this Court to amend the Stipulation, as the parties agree that this Stipulation may be amended or modified only by order of this Court.

NOW, THEREFORE, IT IS STIPULATED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. Due to the complexity of Biological Opinions 3, 4, 5 and 6, NMFS has determined that it needs additional time to issue these Biological Opinions.
2. In light of the above, the parties agree that NMFS will issue the final Biological Opinion 3 no later than August 31, 2010, and the final Biological Opinions 4, 5 and 6 no later than January 31, 2011. The dates in the schedule related to Biological Opinions 7, 8 and 9 are unchanged.
