NOAA Fisheries Policy Directive System

**Briefing for Council Coordination Committee
Sitka, Alaska
May 23, 2018**

Jennifer Lukens
Director, Office of Policy

So, what is “policy”?

So, what is “policy”?

“Strategy Implementation Plan”

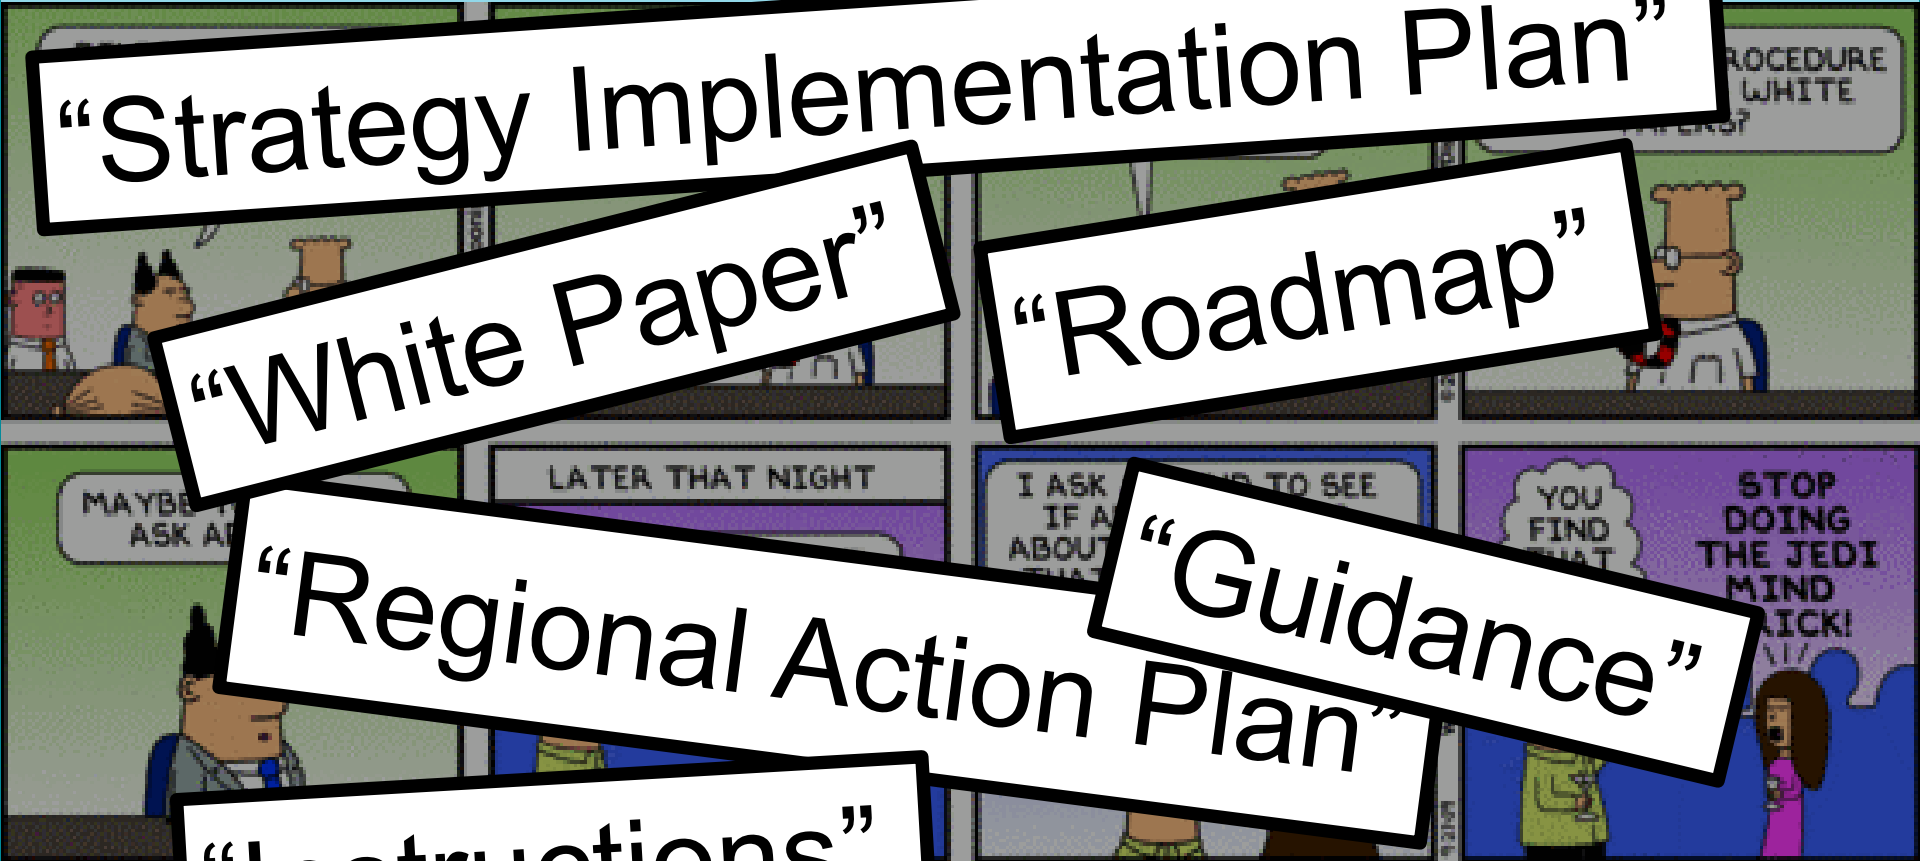

“White Paper”

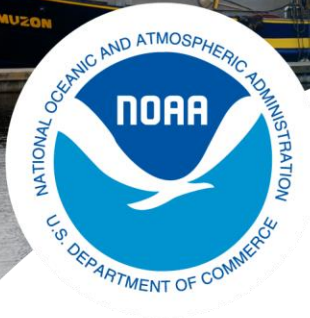

“Roadmap”

“Regional Action Plan”

“Guidance”

“Instructions”

**NOAA
FISHERIES**

Purpose of the Policy Directive System (PDS)

- PDS is the repository for NOAA Fisheries policy and supporting guidance documents
- Goals:
 - Transparency on agency positions
 - Accountability and consistency in management across the agency
 - Provide current and up-to-date information

**NOAA
FISHERIES**

Structure of the Policy Directive System (PDS)

Policy
Procedure
Supplement

Cleaning House & Revamping the PDS

NOAA
FISHERIES
