

**Verification of Insurance Coverage of At-Sea Monitors**

I declare, as the legal representative of **[company name]**, under penalty of perjury, under the laws of the United States of America, that all at-sea monitors provided by **[company name]** pursuant to any and all contracts that exist between **[company name]** and any sector will be covered by the type and level of insurance as required by applicable federal regulations and any other guidance provided by National Marine Fisheries Service. I further declare that this insurance covers at-sea monitors during all aspects of deployment on fishing trips including training and travel to fishing vessels.
