Salmon + Pharmaceuticals Poster Printing Instructions

The poster can be printed at various scales, including 8.5x11 and 11x17. The following instructions will guide you through the printer settings you can apply, but settings may vary by printer make and model.

Printing at 8.5x11

- Under "Page Sizing & Handling," go to the "Size" tab and select "Fit"
- Unclick "Print on both sides of paper"
- Under "Orientation," select "Portrait"
- Click on "Properties" and do the following:

    - Select "1-Sided Print"
    - Select "No Staples"
    - Select "High Resolution" for Print Quality

Printing at 11x17 (Ideal Size)

- Under "Page Sizing & Handling," go to the "Size" tab and select "Fit"
- Unclick "Print on both sides of paper"
- Under "Orientation," select "Portrait"
- Click on "Page Setup" and do the following:

    - Under "Paper Size," select "Tabloid (11x17)"
    - Under "Orientation," select "Portrait"

- Click on "Properties" and do the following:

    - Select Tabloid (11x17) Paper
    - Select "1-Sided Print"
    - Select "No Staples"
    - Select "High Resolution" for Print Quality
